LOT 6422 - Fierce Firearms Twisted Rival / Zeiss Conquest V4 Package 300 Win Mag Bolt Action Rifle

Description

Factory new, unfired.

This firearm features the Zeiss Conquest V4 6-24x50, it is a \$1,000+ value of it's own. Featuring 24x max magnification, side parallax compensation, external elevation turret, ballistic stop, and MOA reticle. Offering big game hunters or range shooters alike the accuracy that is needed to take the perfect shot.

This Fierce Firearms Twisted Rival features a 24" twisted fluted, match grade, hand lapped, cryo-treated, 1/2"-28 threaded, 1:9 twist tungsten gray cerakoted stainless steel barrel with a radial muzzle brake. Married with a precision cut tungsten gray cerakoted stainless steel receiver , 2-lug action, Bix'n Andy adjustable trigger, and 70 degree bolt throw. All of this wrapped up in the Fierce Phantom Camo C3 Carbon Fiber pistol stock with an integrated picatinny mounted bi-pod.

Comes with the preinstalled Zeiss Conquest V4 6-24x50 scope, Fierce Carbon-Lite bi-pod, scope rings w/base, and Fierce branded SKB hardcase.

Whether you are going for gold in a shooting competition, or going on a once and a life time hunt. Why not equip yourself with this full package, Twisted Rival made by Fierce Firearms.
